In order to accept this position on the roster, parent must complete the Intent To Play agreement and pay the deposit fee for the season to hold the position by the given date. Players and are expected to follow the player commitment policy.

The Season

Training - U11-U15 Teams are expected to train 9 months a year with a break from December to mid-January and a break between seasons from June to mid-July. U16-U19 Boys train December to May. U16-U19 Girls Teams train July to December.

Tournaments - Hurricane teams typically participate in 8-10 tournaments during the year. The tournaments are selected by the coach/club to suit the needs of the team.
